In order to succeed, we must first believe that we can. –

Nikos Kazantzakis

Welcome to the Fam 😊

We are really excited to have you with us this year. It's our 10 year anniversary so we have to make things epic. We are changing some things this year to make sure you have a better dance education, and look even better at competition. So buckle up and get ready for the ride.

Communication

We will mainly be communicating through Band App, but I will also post some reminders on Facebook. Please check it regularly to stay informed.

We are going to try liking the newsletters and posts on Band app as confirmation that you have seen and understand the material.

Extra Practice

You will have 2 extra hours of practice a month for the first 2 to 3 months. You WILL NOT be charged for this. I'm going to donate my time so that we can learn the dances quickly and spend the rest of the season cleaning up the number and helping them perfect their craft.
*This will most likely not include the ballet class sand the 3-4 hip hop class.

Classes Begin

Classes start September 4th for performance team members.

Classes start the week of September 10th for everyone else.

Band App

Band app is what we will be using to communicate this season. We will no longer be using Remind App. I will post videos, pictures, reminders, class cancelations, events, newsletters, etc. on Band.

Please make sure that you add yourself to the main Compelled 2 Dance Group and all groups that you're a part of. There will be links on the main page that will allow you to add yourself to the group.

Tuition Due

Your September tuition is due the week of September 10th, our first full week of classes.

Performance Team Auditions

The performance team auditions will be the workshops on August 17th. You must take all of the classes. If you have to miss you still have to pay \$30 and send in videos of each dance.

Studio Philosophy

Here at Compelled 2 Dance Studio, we believe that self-development is just as important as dancing. It's the lessons that are hidden within dance

TA Program

This is our first year offering a TA program. I'm really excited to help develop the future teachers and choreographers of C2D.

There is opportunity to eventually get discounts on your classes.

You must be on the performance team to be a TA.

training that will help our students be more prepared for their adult lives. They learn about discipline, working under pressure, how to take feedback, team work, perseverance, having a growth mindset, the importance of a good attitude, and our favorite...HARD WORK.

Raffle Tickets

Our annual studio fundraiser raffle. You have to sell or buy out. One student has to sell 35 \$2 raffle tickets per family. Two students or more have to sell 55 \$2 raffle tickets per family.

We believe that most things in life aren't handed to you so we strive to develop good work ethics in all of our students. We love our students, and like their parents, we want the best for them. With truth, love, and correction we help build them into great dancers and great people.
