# **Measuring**

# Monday, September

23rd the seamstress will be here to measure the students for their costumes. If you are absent that day I will guess your size. If it's too big we will alter it to make it fit as best as we can. If it's too small we will add fabric to make it fit the best we can.

# **Conflict Calendar**

You must use the conflict calendar. As I've said before. If it's not on the conflict calendar you are still marked absent.

I have provided a video to help you find the conflict calendar.

It's in the main band group page in the welcome videos section.

### **Group Links**

I went through and uploaded all of the group links so they all should work now. You should be able to add yourself to any group that you need to be in with no problem (You can find the groups in the Weclome Notice at the top of the page in the main band group)

### **Boots**

# All <u>girls</u> will have black <u>Gia Mia GS3 Combat</u>

boots. Boys will just have plain black boots that need approved (please make sure you show them to me before buying them.)

I posted a link on band app so that you can get them.

# **Practice**

Please make sure that you're encouraging the students to practice. That's the ONLY way that they will improve.
