\*When you get there make sure that you find me and check in. YOU ARE NOT THERE UNLESS YOU CHECK IN WITH ME.

\*You're doing all of your numbers so bring all of your costumes. If you don't see your name twice it's because you're already there.

# Star Talent Competition

\*Your hair and makeup should be just like the directions given to you on the “hair and makeup” newsletter (see website memo section) (If you are on the performance team you need to follow suite with this makeup NOT performance team makeup)

\*They don't give specific times when they perform so I won't be able to tell you when you perform.

\*If you're leaving early, let me know. I DO NOT TAKE HOME LEFTOVER TROPHIES. If you have to leave early please assign someone from your class or a friend to get your trophy.

\*Remember the rules. NO FINGERNAIL POLISH OR PAINT THEM NUDE (NO EXCEPTIONS)

\* Don't add any extra accessories to the costume and please make sure that you have no big jewelry or crazy earrings (I prefer to have small diamonds or none at all).

\* No belly rings, necklaces, or bracelets

\*black hair ties/bobby pins. Black undergarments (I don't want to see printed or color underwear or bras :/ ) **Make sure that you have all of your pieces.** You may not be able to dance if you don't have everything. **PS please keep all of your stuff together so you don't lose it.**

\*NO NEGATIVITY ABOUT OTHER STUDIOS OR DANCES. KEEP YOUR LIPS CLOSED. It's important that you guys are great sports and that you carry yourselves in a respectful way. Please PLEASE don't let me find out your fighting or bad mouthing other studios. I take this seriously, and there is no reason why we can't support each other.

\*\*\* Lets make things interesting 😊

30 pushups, 30 jumping jacks, 30 second plank, 30 second wall sit, or 30 crunches per fingernail that that does not follow our policy and every missing costume piece.
